A Supplementary European Search Report dated November 14, 2006 that issued in a European patent application and having documents cited therein is attached for the Examiner's consideration. The cited documents are listed on the attached PTO Form 1449 and are also attached hereto.

The relevance of the attached foreign language documents can be understood from the attached English-language abstracts, and from the citation of the documents in the attached Supplementary European Search Report dated November 14, 2006. Applicants respectfully

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over any of the listed documents, should any of the documents be applied against the claims of the present application.

Except for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this Application, including fees due under 37 C.F.R. § 1.16 and 1.17 which may be required and including any required extension of time fees, *or* credit any overpayment to Deposit Account No. 50-0573.
